Powers to register primary Land Mortgage Societies, approve their bye laws etc

26/ Both in the amended Regulation No V of 1929 in the bye laws of the Land Mortgage Bank as approved by Government proper safeguards have been provided, so that the Land Mortgage Bank's operations may not come into conflict with the working of the primary rural credit cooperative societies. This object was kept in view when Section 53 of the Land Mortgage Regulation was drafted wherein it has been provided that the first bye laws of the L.M. Bank as well as every alteration should be subject to the previous approval of Government. The essential principle is that the work of the

village credit societies should not be interfered with by these new institutions. Even the Royal Commission on Agriculture have recommended that the land mortgage banks should consult the village societies before granting loans to the members of such societies. I, therefore, consider that the power of registering local land mortgage societies and their bylaws should vest in the Registrar (not even in the Assistant Registrars or Divisions), just as Govt have reserved this power in the case of the L.M. Bank, so that, proper check over the alteration of bylaws may be exercised and a continuity of policy maintained

Power to audit or inspect or cause to be audited or inspected, the working and transactions of local land mortgage societies & power to hold enquiries &c under Sec 35 & 36 & power to apportion cost

These powers may be conferred on the Deputy Registrar.

Power to dissolve & cancel the registration & to appoint liquidator.

Even the Assistant Registrars have not been invested with these powers. It is only the Registrar that can exercise these powers & on his order, appeals lie to Government. The existing procedure may continue

Powers under Rule 16 in disputes.	The question of disputes will crop up only after some time & it may, therefore, be over for the present till some experience is gained in the working of the Bank & the primary land mortgage societies.
30	
Power to sanction the withdrawal of the Reserve Fund of a local land mortgage society for working capital.	As the reserve fund should not generally be utilized as working capital, this power to sanction exemption from the operation of the Rule shall rest only in the Registrar as at present & no deviation therefrom seems to be necessary or desirable.
31	
Power to summon meetings of primary land mortgage societies & to call for information & returns from them. 32	These powers may be conferred on the Deputy Registrar.
Powers under Rules 21, 23, 26 & 27 & Rule 7 of Sec III of new Rules.	All these are powers to be exercised only under extraordinary circumstances & should therefore rest only in the Registrar as hitherto. The power to approve rates of interest for long & short term loans that may be levied by local land mortgage societies is very important & should, therefore, rest only in the Registrar.

Powers under Sec 60. 64 of the amended Regulation Rule 5 of sect of the new Rules of under the byelaws of the Bank.

The Bank being within the direct charges the Registrar in Bangalore City, all these powers must perforce rest in him. He may, if he so desires, be assisted by the Deputy Registrar in discharging these duties

36 | for

Appointment of a trustee.

The appointment of Trustee is made by Government in order to secure the fulfilment of the obligations of the Bank to the debenture holders, and under Sec II of the new Rules he has been invested with certain powers which can be discharged satisfactorily only by a person with a fair knowledge of banking. I, therefore, consider that the Comptroller to the Government or the Dy Comptroller may be appointed as Trustee. In fact, the appointment has to be made only after the Bank issues debentures. The question does not, therefore, immediately arise.

Appointment of the Dy Registrar as a director of the Bank.

36 | Favours proposal

According to Sec 54 of the amended Regulation, Government have the power to nominate one member to the Board of Management of the Bank and one member to the Board of Supervision. The question whether the person so nominated to the Board of Management should be an Officer of the Co-operative department or not is open to divergent views. The role of the Co-operative Officer is that of friend, philosopher & guide but it is in the interests of things that he should have as little to do with the internal management

of cooperative institutions as possible. In fact, when the Apex Bank provided in its bye-laws No 46 for the Registrar of Cooperative societies being on its Board of management & requested Government to sanction the same, they were pleased to order that they did not consider it ~~necessary~~ desirable that the Registrar of C S should be on the Board of Directors of the said Bank. While I admit that there should be an official member on the committee of management of the Bank to safeguard the interests of Government, I do think that an officer of the Cooperative department should be the last person to be selected for this place. On the other hand, greater advantage will be gained by the deputy Registrar assisting the Bank in all its work by being present at its meetings & not being outside the Board. I, therefore, am of opinion that the proposal of the deputy registrar that he may be appointed as the 15th Director should not be accepted by Government.

FROM

K. H. RAMAYYA, ESQ., B.A., BAR-AT-LAW,
REGISTRAR OF CO-OPERATIVE SOCIETIES IN MYSORE,
BANGALORE.

To

N. Rama Rao, Esq., B.A. B.L.,
Secretary to Government, Development Departments,
Bangalore.

Sir,

In forwarding herewith a copy of letter No.44 dated 20th July 1929 received from the Deputy Registrar in the matter of the delegation of powers to him, I have the honour to state as follows:-

2. Government have, in their Notification No.8712/E.C.84-18 dated 11th March 1919, conferred the following powers on the Assistant Registrars of Co-operative Societies-

i. Registration of societies and their bye-laws (section 9 of the Regulation)

ii. Approving or bye-laws, their alteration, abrogation or amendment (paras 7 and 8 of Rules)

iii. Settlement of disputes in person, the settlement being final where the subject matter of the dispute does not exceed Rs 500 in value and subject to confirmation by the Registrar on appeal preferred within thirty days from the date of such settlement in other cases (para 16 of Rules)

iv. Power of finally disposing of appeals from decision or arbitrators in cases where the subject matter of the appeal does not exceed Rs 500, the appeal in other cases from the decision of arbitrators lying direct to the Registrar (para 16 of rules).

v. Power to assent to loans by one registered society to another, the approval or the Registrar being taken in cases of loans exceeding Rs 5,000 (Section 29 of Regulation)

vi. Inspecting and authorizing other persons to inspect the books of societies Section 36 (1) of Regulation.

vii. Holding or authorizing other persons to hold an enquiry into the constitution, working and financial condition of a Co-operative Society. Section 35 (1) of Regulation.

3. As the Bank is to be situated in Bangalore City which

which is in the direct charge of the Registrar, the power of registering the Bank cannot be given to the Deputy Registrar.

4. As the byelaws and their alterations etc., have to be approved by Government according to the Co-operative Societies' amendment Regulation No.V of 1929, the question or delegation of powers to approve byelaws etc., to the Deputy Registrar does not arise.

5. Re: powers in the matter of disposal of suits and appeals, I am of opinion that the question may lie over for the present till the Bank starts work.

6. Re: power to assent to loans by one society to another, I think that the question does not arise till primary land-mortgage societies are started, through which the Central Land Mortgage Bank has to grant loans.

7. The following powers may be delegated to the Deputy Registrar

i. Inspecting the books of the Land Mortgage Bank under Section 36 of the Co-operative Societies Regulation No.VII of 1918.

ii. Holding an enquiry into the constitution, working and financial condition of the Land Mortgage Bank under Section 35 of the Co-operative Societies Regulation No.VII of 1918.

iii. To audit the accounts of the Bank under Section 17 of the Mysore Co-operative Societies Regulation No.VII of 1918.

8. To attend meetings etc., no special powers duly published in Gazette seem necessary. The Registrar, Assistant Registrars and Inspectors attend the meetings of the societies without being specially armed with such powers. I shall gladly request the Bank to permit the Deputy Registrar to attend the general meetings, the meetings of the Board of Directors and the Board of Supervision in accordance with byelaw No.101 of the draft byelaws as proposed by me.

I have the honor to be,
Sir,
Your most obedient servant,

M H Ramayya

Registrar.

15

Copy of letter No.44 dated 20th July 1929 from the Deputy Registrar of Co-operative Societies to the Registrar of Co-operative Societies in Mysore.

==========

With reference to your letter No.516 dated the 19/20th July 1929 informing me that the question of delegating to the Deputy Registrar, under Section 4 of the Co-operative Societies' Regulation, the powers to deal with the Land Mortgage Banks may lie over for the present till the Bank actually starts work and some experience is gained, I have the honour to state that without a proper definition of the functions of the Deputy Registrar and in the absence of delegation of specified powers to him under Section 4 of the Regulation, the Deputy Registrar will be placed in an undefined, if not anomalous, position vis-a-vis the Land Mortgage Bank. Clause 79 of the Draft Bylaws of the Bank defines the powers of the Registrar as follows:-

"Without prejudice to the powers which may be vested in him by the law for the time being in force, the Registrar of Co-operative Societies will have power

(a) to require the summoning of a General Meeting;

(b) to be present at the proceedings of the General Meeting as well as at the meetings of the Board of Directors and the Board of Superivision;

(c) to inspect the books and cash balance of the Bank at any time; and

(d) to summon any member or office bearer of the Bank or other person for the purpose of an enquiry into the affairs of the Bank. For this purpose, as well as for the settlement of disputes, he will act as a Court.

Unless these powers, as also the powers under the other provisions of the Regulation as regards supervision and control, are delegated to the Deputy Registrar, it is not clear how he can assist and supervise the working of the Bank. The absence of such authorisation may even lead to the Bank declining to take cognisance of the Deputy Registrar altogether.

In this connection, I beg to invite a kind reference to G.O.No.G.12698-716/Sany.21-28-15 dated the 12th April 1929 creating the

the appointment of the Deputy Registrar, in which it is stated that Government have considered it necessary to appoint a whole-time ofricer for the purpose of organizing and supervising the work of Land Mortgage Banks, and also making him responsible for all the details connected with the work.

I would therefore submit for your consideration that without such delegation of powers under the Regulation it will not be possible for the Deputy Registrar to carry out the duties contemplated in the Government Order as well as in the Bylaws. I may add that the suggestion about delegation of powers is not new, as a kind reference to G.O.No.8712/E.C.84-18 dated the 11th March 1919 and also G.O.No.6652-700/A.& I.67-15-20 dated the 15th May 1916 will show. In those orders certain powers have been delegated to the Assistant Registrars under notificati issued by Government.

In the above circumstances I trust that you can find it possible to reconsider the view held in your letter under reply, and, if you see no objection, place the matter before Government for their orders.

Bangalore
3rd August 1929.

Registrar.

GEN. & REV. DEPT. 4915 6 DEC. 1929 DEVELOPMENT BRANCH

6/12/29

Dear Sir,

As desired by the Third Member I waited on him on the 2nd instant to discuss the question of delegation of powers to the Deputy Registrar, and I was directed to address you submitting revised proposals on the subject in the light of the discussions that took place. I am accordingly submitting the following proposals and shall be grateful if you will kindly place them before the Member for his consideration and orders.

In their order No. G.12698-716/Dany. 21-28-15 dated the 12th April 1929, Government created the post of a whole time office of the status of Deputy Registrar for the purpose of organising and supervising the work of Land Mortgage Banks and they further directed that the officer was to work under the general control of the Registrar but was to be responsible for all the details connected with the work.

It is to be admitted that for some time to come the Deputy Registrar's activities will be mainly confined to propaganda work and canvassing shares and attracting funds in other ways for the Land Mortgage Bank. But alongside of this work the Deputy Registrar would also have to begin at once organising Local Land Mortgage Societies and take steps to co-ordinate the work of the Bank and such Societies.

In Statement A attached, I have indicated the powers that may be delegated to the Deputy Registrar in order to enable him to effectively carry out the work connected with the organisation and supervision of Local Land Mortgage Societies. Most of the powers referred to in this Statement are even now being exercised by Assistant Registrars in the case of other classes of registered

19

Societies, and if in the Statement a few additional powers have been included, such as powers under Sections 39, 40 and 42 and Old Rules 26 and 27 and New Rule 7 Part III, it was because I thought that, with an officer of the status of a Deputy -- Registrar to assist him, the Registrar may be relieved of the work of exercising these powers in the first instance. At the same time, if Government deem it necessary, provision may be made for all orders passed by the Deputy Registrar under the more important of these Sections being subject to confirmation by the Registrar on appeal preferred within, say, two months from the date of the original order.

In Statement B, I have indicated the powers of the Registrar, with reference to Land Mortgage Banks, under the Regulation, the Rules and the by-laws of the Bank. When I discussed the subject with the Member he thought that there was perhaps no immediate necessity to delegate any of these powers to the Deputy Registrar. From the trend of the discussion I gathered that the position of the Deputy Registrar was to be that of a liaison officer between the Bank on the one hand and the Registrar on the other. Even in that case some facilities will, it seems to me, have to be provided to the Deputy Registrar if his work should lead to tangible results. I therefore beg to propose the following for the consideration of Government:-

(1) The desirability of nominating the Deputy Registrar as a member of the Board of Directors of the Bank in the existing vacancy. In Madras the Registrar of Co-operative Societies is a member of the Board of Directors of the newly constituted Central Land Mortgage Bank. Here, however, as the Registrar would have to perform the functions of the Board of Supervision it will perhaps be considered not desirable that he should be a member of the Board of Directors also. But such objection may not apply in the case of the nomination of the Deputy -- Registrar as a member of the Board. On the other hand there are likely to be some distinct advantages in his being on the

Board. It will enable him to keep in more intimate touch with the details of the working of the Bank and to promptly bring to the notice of the Registrar and the Government such matters as require to be brought to their notice. Further, as for some time to come it will not be possible for the Bank to arrange for the supervision and periodical inspection of the Local Land Mortgage Societies affiliated to it and as the Deputy Registrar will have to do such supervisory and inspection work, he will, by being on the directorate, be in a position to ensure better co-ordination of the work of the Bank and of its affiliated Societies.

(2) The Deputy Registrar may be permitted to deal in the first instance with all matters relating to the Land Mortgage Bank; in which case all that is necessary will be for the Registrar to kindly refer all such questions to the Deputy Registrar for disposal or report according to the circumstances of each case.

I trust that these proposals are not open to the objection of being extravagant or unreasonable and that I have succeeded in placing them before you in a form in which it will be possible for you to obtain the orders of Government. If any further information is necessary I am always at your disposal.

In conclusion, I beg to assure Government that I have placed myself entirely at the disposal of the President of the Bank and it will be my earnest endeavour to make myself useful to him in every way in connection with the working of the Bank.

Yours sincerely,

N. RAMA RAO, Esq., B.A., B.L.,
Secretary to Government,
Development Departments.
